FOREWORD

In the short span of years, the Quarter Century Wireless Association, Inc., based on an idea and an ideal of its founders, John Di Blasi, Uda Ross, John Gioe, Edwin S. Crane, Irving R. Groves and Dr. Ernest Cyriax, has grown from an original little nucleus of old timers in amateur radio to its present stature of more than eleven hundred members. This represents a cross section of the whole field of men who make amateur radio their hobby. It is clear that the concept of its founders for an association which would bring together leaders of amateur radio in the United States and abroad was sound.

The association had its inception during a 10 meter round table on Friday night, November 14, 1947, at which time the founders decided that they should meet with other old timers and form an association of amateur radio operators who had been licensed for twenty-five years or longer. The first official meeting was held on Friday evening, December 5, 1947, at which thirty-five old timers were present, and the Quarter Century Wireless Association, Inc., was formed and officers elected.

John Di Blasi, W2FX, was elected President; George Droste, W2IN, Vice President; Leon Hansen, W2FIT, Secretary; and David Talley, W2PF, Treasurer.

The following charter members were present on that occasion:

W1HRX, W2BW, W2KR, W2AMJ, W2AMB, W2EF, W2RB, W2EA, W2CO, W2LFR, W2CVF, W2FD, W2BJ, W2GX, W2DX, W2UD, W2FO, W2EC, W2IL, W2FZ, W2YW, W2PL, W2MM, W2BT, W2KW, W20G, W2BR, W2WZ, K2CM, and W2GG.

By the end of 1947 our charter members numbered fifty four, and today, we pay tribute to those men whose vision, ideology, and guidance has helped our association through its formative years.

Today we have over 1100 members located in every call area of the United States and several in foreign countries, also we have established Chapters in Cleveland, Louisville, Chicago, Findlay, Ohio, Washington, D.C., Pittsburgh, New England Area, and others are being formed.

At the association's semi-annual dinners, the world's greatest in amateur radio have addressed the members and their guests. The association has steadfastly maintained its nonpolitical and noncontroversial character, and takes general interest in all matters affecting or involving amateur radio, and is ready to sponsor such action as may be deemed proper in their interests. It is our purpose to foster and develop friendship and cooperation among amateur radio operators of more than twenty-five years standing. The devotion of its officers and directors, and the hard work of its staff, account for its phenomenal success and have led to the fulfillment of the purposes for which it was formed.

JOHN DI BLASI, W2FX
President
